Readiwriter Spelling

Curriculum alignment for

Australian Curriculum (English)

Foundation to Year 6

Introduction

At 3P Learning, we are committed to providing students, teachers and schools with high-quality learning resources that align with the most up-to-date curricula.

Our team of educators has created a Spelling and Vocabulary course that specifically follows the requirements of the *Australian Curriculum (English)* so you can be assured that your students have access to relevant and targeted content.

This document outlines the curriculum alignment and acts as a useful guide when using Readiwriter Spelling in your school. Word lists and activities are aligned to every statutory requirement for Foundation to Year 6.

Each word list is available in three levels (core, entry and exit) to assist teachers in providing differentiated content. Teachers have access to all other courses and word lists if further remediation or enrichment is required. There are also sets of word lists for high frequency and sight words suitable for levels F-4.

Note: The order of the word lists in each course differs from the order presented in this document.
