

Readiwriter Spelling

Curriculum alignment for British Columbia English Language Arts Curriculum

Kindergarten to Grade 6

Readiwriter
Spelling

Curriculum alignment for the **British Columbia English Language Arts Curriculum, Grades K–9 (Grades K–6)**

Introduction

At 3P Learning, we are committed to providing students, teachers and schools with high-quality learning resources that align with the most up-to-date curricula.

Our team of educators has created a spelling course that aligns with the requirements of the *British Columbia English Language Arts curriculum*, so you can be assured that your students have access to relevant and targeted content. This document outlines the curriculum alignment and acts as a useful guide when using Radiwriter Spelling in your school.

Word lists and activities are aligned to the relevant to the Big Ideas, Curricular Competencies and Content standards for Grade K to Grade 6. Additional recommended word lists are also provided for teachers and can be accessed in Radiwriter to support students.

Each spelling word list is available in three levels (core, entry, and exit) to assist teachers in providing differentiated content. In addition to the 11,000 words and hundreds of word lists, teachers also have access to grade-level courses that can be tailored to suit their specific class. Teachers can also create or import their own word lists, spelling courses, and edit individual word lists when modifications and extensions are required. There are also ready-to-go complete sets of Dolch and Fry's word lists to target spelling of high-frequency words and sight words.

Note: The order of the word lists in each course differs from the order presented in this document.
