

Name: _____

Human Maths Bingo

Directions: Look for a classmate who matches a description in one of the boxes and get them to write their name in it. When all your boxes are signed, yell out BINGO!

Find someone:

<p>Who has an even number of brothers?</p> 	<p>Whose birthday month is an odd number?</p> 	<p>Who can tell you what $>$ means?</p> 
<p>Who has visited more than 2 countries?</p> 	<p>Who has exactly 5 people living in their home?</p> 	<p>Whose birthday date contains an 8?</p> 
<p>Who has an odd number of cars in their family?</p> 	<p>Whose entire name (including middle name) contains more than 20 letters?</p> 	<p>Whose birthday month contains the same number of letters as your birthday month?</p>
